ECONOMICS ACTIVITY

During your field visit talk to some farmers:-

1. What kind of farming methods are farmers using?
2. What are the sources of irrigation?
3. How much of cultivated land is irrigated?
4. From where do farmers obtain inputs that they require?
5. Are they small or large farmers? Where do they obtain capital from?
6. Click a picture with the farmer and paste it.

To be done in ECONOMICS NOTE BOOK
